COLLEGE PRAYER

O God, Whose blessed Son Jesus Christ has shown us how great is Thy love for children and who has taught us through the life of Thy servant Christopher, that those who seek Thee faithfully will find their joy in thee, send down thy blessing, we beseech Thee, on all members of our College. Grant to all those who have gone forth from this College and to

those who teach, learn or serve within its walls, the sense that we are Thy workmen incapable of slovenliness and insincerity. May we do our work with intelligence and sympathy, and with the courage and energy that never despair. When we are in difficulties be Thou our Counsellor, when we are lonely be Thou our Friend, from our besetting sins be Thou our Saviour, at every parting of the ways be Thou our sole Leader. In our work, do Thou sustain us, with Thy Holy Spirit inspire us that we, not being disobedient to Thy heavenly vision, may offer our lives as acceptable sacrifice laid upon Thine altar. We ask this through Him who is the Way, the Truth and the Life, even our Saviour Jesus Christ our Lord. - Amen

COLLEGE HYMN

1. God eternal, infinite,
Ruler over time and space;
Loving Father in whose care
Even the lowliest has a place.
2. Grant the daughters of this house
Gathered here and scattered far,
Gentleness and fortitude,
Found of old in Christopher.
3. Give us faith that ventures forth,
Not content with well worn ways;
Eager hearts prepared to meet
New adventures all our days.
4. Give us joy in simple things,
Love of childhood, sympathy,
Service to the least of these
Seen as service unto thee.
5. Bless our teaching may we learn
Ever to be taught of thee:
Mark our work with joyfulness,
And a losing honesty.
6. Bless our college, every one
Teaching, learning, serving there,
May we love thee utterly,
As thy servant Christopher.

COLLEGE SONG

1. Come, let's sing about,
St. Christopher's,
Games and study at
St. Christopher's,
Dawn till evening at
St. Christopher's,
Notes of Lessons, teaching, tests,
Hand work, games, psychology
Subjects in variety,
Fill the busy day,
Full of work and play
In our College called
St.Christopher's.
2. Come, let's sing about
St. Christopher's
Practice teaching at
St. Christopher's
In the schools around
St. Christopher's
Armed with flannel-graphs and charts
We all try to do our best
Staff observe, and we're assessed
Oh, how we fear,
What we may hear,
After teaching at St. Christopher's.

3. Come, let's sing about
St. Christopher's
Hostel living at
St. Christopher's
Room inspection at
St. Christopher's
We must keep the College rules;
Pray and study (these are good)
Turn the lights out when we should,
Keep the campus clean,
As it's always been,
There's a beauty in St.Christopher's.

4. Come, let's sing about
St. Christopher's
Expeditions from St. Christopher's
Social Service by St. Christopher's
Village project week by week
Where we help both young and old
Many talents to unfold
It's joy and not a labour
This service to our neighbour
By the members of St. Christopher's.

5. Come, let's sing about
St. Christopher's
Many changes at St. Christopher's
Semester system at
St. Christopher's
More assignments to be done
Special English oral test,
Micro-teaching (from the West)
No time for fun
Till our work is done
We're kept busy at St.Christopher's.
6. Come, let's sing about
St. Christopher's
Our old students from
St. Christopher's
Scattered North and South from
St. Christopher's
They are found in Tamil Nadu
In Punjab and Kerala
Europe and America
Near and far
One we are,
In our love for our
St. Christopher's.

THE TEACHER

"It is possible for a teacher situated miles away to affect the spirit of the pupils by his way of living; it would be idle for me if I were a liar, to teach boys to tell the truth. A cowardly teacher would never succeed in making his boys valiant, and a stranger to self-restraint could never teach pupils the value of self-restraint; I saw, therefore, that must be an eternal object-lesson to the boys and girls living with me. They, thus, became my teachers, and I learnt I must be good and live straight, if only for their sake. I may say that increasing discipline and restraint imposed on myself at Tolstoy Farm was mostly due to those wards of mine."

-MAHATMA GANDHI

தம் வாழ்க்கை முறையான், நெடுந் தொலைவில் உறையும் ஆசிரியரொருவரால் மாணவர் உள்ளங்களைப் பாதிக்க இயலும். நான் பொய்யனாக இருந்து மாணவருக்கு உண்மையுள்ளோராதல் வேண்டும் எனக் கற்பித்தல் மடமையாகும். கோழையான ஆசிரியர் தம் மாணவரிடத்து வீர வுணர்ச்சியை உண்டு பண்ணுதல் ஒருகாலும் இயலாது. தன்னடக்கத்திற்கு மாற்றானாகிய ஒருவர் மாணவருக்கு தன்னடக்கத்தின் மதிப்பை வலியுறுத்தல் முடியாது. எனவே, என்னுடன் உறையும் சிறுவர் சிறுமியருக்கு நான் எஞ்ஞான்றும் ஒரு முன்மாதிரியாக இருத்தல் வேண்டும் எனக் கண்டேன். இவ்வாறாக அவர்கள் என ஆசிரிய ரானார்கள். அவர்களுக்காக நான் உத்தம னாகவும், நேரிய வாழ்வு நடத்துபவனாகவும் இருத்தல் வேண்டுமென உணர்ந்தேன். நான் டால்ஸ்டாய் பண்ணையில் என்மீது சுமத்திக் கொண்ட அதிகப்படியான கட்டுப்பாடும் காவலும் என்னிடத்தில் ஒப்படைக்கப்பட்டவர் களுக்காகவே ஆகும் எனக்கூறுவேன்.

A TEACHER'S PRAYER

God, help me to remember the greatness of work which has been given to me to do.

Help me always to remember that I work with the most precious material in the world, the mind of a child.

Help me always to remember that I am making marks upon that mind which time will never rub out.

And amidst the worries and the irritations and the frustrations of my job, help me to remember that the future of the nation and of the world is in my hands,

ஓர் ஆசிரியரின் வேண்டுகூல்

இறைவனே, எனக் களிக் கப் பட்ட வேலையின் பெருமையை நான் கருத்தில் கொள்ள உதவி புரியும்.

வையகத்தில் விலை மதிக்கக்கூடாத பொருளாகிய சிறார்களின் மனதுடன் நான் வேலை செய்கிறேன் என்பதை எப்பொழுதும் நினைவில் கொள்ள உதவி புரியும்.

காலம் அழிக்கக்கூடாத சிறு குறிகளை (அடையாளங்களை) நான் அந்த மனதில் ஏற்படுத்துகிறேன் என்பதை எப்போதும் கருத்தில் கொள்ள உதவி புரியும்.

கவலைகள், எரிச்சல்கள். வருத்தங்களடங்கிய என் தொழிலினிடையே இந் நாட்டின் மற்றும் வையகத்தின் எதிர்காலம் என் கரங்களில் உள்ளது என்பதை நினைவில் கொள்ள உதவி புரியும்.

TO THE UNKNOWN TEACHER

“I sing the praise of the Unknown Teacher, famous educators plan new systems of pedagogy, but it is the Unknown Teacher who delivers and guides the young. He lives in obscurity and contends with hardship. For him no trumpets blow, no chariots wait, no golden decorations are decreed. He keeps the watch along the borders of darkness and makes the attack on the trenches of ignorance and folly. Patient in his duty he strives to conquer, the evil powers which are enemies of youth. He awakens sleeping spirits. He quickens the indolent, encourages the eager, and steadies the unstable. He communicates his own joy in learning, and shares with boys and girls the best treasures of his mind. He lights many candles which, in later years, will shine back to cheer him. This is his reward. Knowledge may be gained from books, but the love of knowledge is transmitted

only by personal contact. No one has deserved better of the Republic than the Unknown Teacher. No one is more worthy to be enrolled in a Democratic Aristocracy, "King of himself and servant of Mankind".

- Henry Van Dyke

2. Consider muting your video if you do anything else that might be distracting to others. Be sure that there is nothing visually distracting in the background.
3. When you are speaking, let others know that you have finished by saying one of these sign-offs "That's all." "I'm done" "Thank you, etc." So that everyone knows you have finished your comments. Remember to sign out or "leave the meeting" when the session is over.

4. You can ask questions and make comments silently using "Chat" feature.
5. Be mindful of your background lighting. If you are sitting in front of a window, you may be completely darkened by the light coming through the window. Your overhead light also might need to be turned off or dimmed as well.

COMMUNICATION DURING VIDEO CONFERENCING

Orient your device so that your students have a clear, well-lit view of your face. The light source should be in front of you. Avoid being backlit. Make sure your laptop or digital device is on a firm surface. Laptops held on legs or pillows will shake and lead to an unsteady and distracting presentation.

Silence or turn off other devices. Close or even lock the doors of your room to avoid distractions. For the sake of quality use either a clip-on microphone or a headset so that you can maximize your voice and avoid an echo of your voice on an open speaker.

Make sure your attire is professional and you are well-groomed to make yourself presentable. Your face should not take up more than one- third of the screen. Your face should be somewhere between a quarter and a third of the screen and no more. Set the onscreen image you will be talking to as close as you can to the device camera so that you look into the camera more naturally.

FACIAL EXPRESSIONS

Beware of the tendency to let your face go slack when you are listening to your students. They can still

see you. Don't hesitate to nod with approval just as if the person were in front of you. Head tilt is always useful to communicate that you are interested in what is being said.

BODY GESTURES AND PROXEMICS

Maintain an open body posture and do not be afraid to lean in when something interesting is being shared. If possible, use a chair with armrests or place your hands on the table in front of you. In video conferencing, the lens is the filter through which your movements will be carried. Give yourself enough space so that you can move freely, but not so much space that you lose the important details of facial expression.

OTHER KEY TIPS

Eye contact remains a crucial way to signal to your audience that you see

and hear them. It can be tricky with video calls to know where to look. One thing for sure, don't look at yourself. If you have set up properly, you should be confident enough to close down your self-view and free yourself up to connect more directly with your audience. A slight head tilt and occasional head nods will let your audience know you are very much with them and not thousands of miles away.

CONCLUSION

Video conferencing is the present and the future. How we perform, how attentive we are to the small details, including our nonverbal matter are important. What was once envisioned as science fiction is now on our desks and even on our smartphones. What a great opportunity for us to get it right for the benefit of students!

Advisory System

For purpose of effective guidance and supervision each student will be attached to a member of the staff who would be her Adviser with whom she can discuss the problems which confront her. The student should send her leave application through her Adviser. The Adviser will keep in touch with her wards and be responsible for their general welfare during the period of their stay in college

Internship
