'DIGITAL TOOLS FOR TEACHING LEARNING AND ASSESSMENT'

S.I.V.E.T. College

BATCH -I   26.07.2021 - 30.07.2021

BATCH -II   31.07.2021 - 04.08.2021

St. Christopher's College of Education

Teaching online poses challenges for teachers trained primarily to work face to face. The Covid-19 pandemic and subsequent lockdown of schools have forced teachers to move online to ensure students continue their studies. This is not an easy transition and success depends on educators having the skills, knowledge, and competencies for online teaching. In order to help the teachers, move to this transition effortlessly, St. Christopher's College of Education organized Faculty Development Programme for five days on 'Digital Tools for Teaching Learning and Assessment, for S.I.V.E.T. College, Chennai. 118 faculty members from different departments participated in the training programme in two batches. The Batch - I program was conducted from 26.07.2021 to 30.07.2021 and the Batch -II program was conducted from 31.07.2021 to 04.08.2021. The program was offered through online mode, in Google meet platform from 09.30 am - 01.00 pm on the mentioned days. Participants were given assignments every day to be submitted by 7.00 p.m. daily.

The FDP addressed the effective e-Teaching, Learning and Assessment needs of teachers who are teaching subjects of various disciplines.

Learning Objectives of the program were

- to enhance and upgrade the skills of teachers in using the latest information and communication technology tools in the teaching learning process.
- to equip the teachers well in advance to meet the challenges of teaching arising due to disruption in offline teaching in physical classrooms, caused by the pandemic.
- to provide an interactive and active learning platform to teachers by creating a rigorous learning environment well assisted by skilled resource persons.

Coverage of the FDP included the following; Learning management System: Google Classroom, Online Assessment Tool: Google Forms & Certify'em, Online Board Tool: live Board, Jam Board, Online Recording Tool: Screencastify, Loom, Online Documentation Tool : Docs, Sheets and Autocrat, Online Presentation Tool: Google Slides & Prezi, Thinklink, Visme, Online Conferencing Tool: Google Meet, Online Sharing Tool: YouTube and Online Activity Tool : Mentimeter, Quizzes and Kahoot for interactive and effective conduction of virtual classes.

The participants participated enthusiastically and were very active learners. Every minute details were keenly observed by the participants and they were eager to immediately work and clarify their doubts. They were constantly posting their doubts to clarify in the chat box which revealed their inquisitiveness to learn and use technology in their profession. The daily assignments were done and handed in by the maximum number of participants. All the regular participants were provided with E- certificates.
