The SECOND IQAC meeting for the year 2022-2023 was held on 18.08.2022 at 3.00 p.m. in the IQAC Room.

### **ANNEXURES**

*(Annexure-1)*

#### **Students Feedback 2021-2022**

##### **Autonomous setup of the College**

Most of the students have studies in Autonomous institutions. Even those who were from non-autonomous colleges appreciated the autonomous set up in the College. They felt the syllabus was innovative and more activities were organised. Opportunities were provided to showcase their talents. Most of them were appreciative of the special courses organised by the College. Many felt the training in digital tools was a new experience and very beneficial for their career.

Most felt the advantages of an autonomous setup to the syllabus updation and introduction of new courses.

##### **Examination system**

Most of the students were satisfied with the examination system followed in our College.

They were satisfied with the systematic organisation of online and offline examination. Some students faced technical issues during online examinations. Students suggested that they be given study holidays for better preparation.

##### **Internal Assessment**

All of them were satisfied with the internal assessment pattern followed in our College. Systematic planning and implementations of CCE helped the students to be better prepared to face the semester examination.

Most of them favoured 40% of marks for internal assessment while some students were in favour of higher percentage.

##### **Study habits**

Many of the students commented that their personal study habits have become more systematic and organised.

##### **Internship**

#### **Anti-Ragging Committee:**

Minutes of the Anti-ragging committee held on 02 nd November 2022

The meeting was held online at 11.15 a.m.

The convenor welcomed the members and requested to self-introduce the elected student members with their designation. Staff members in charge of the committee were

introduced and their phone numbers were shared for easy access to the students. The convenor briefed the following in the meeting. Ragging is banned and totally prohibited inside and outside the college.

The aim of anti-ragging in our college is to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any Student. The supreme court of India and UGC have declared ragging as a 'criminal offence'. Hence severe actions will be taken if found guilty of ragging at the institution level as per the guidelines of UGC. Parents will also be held responsible if the student commits ragging. As per the guidelines of Honorable supreme court and directions of UGC all the students need to fill an affidavit online.

The convenor also said that if they found any incidence of ragging or misbehavior happening in the places of student gathering including Classrooms, Canteens, Buses, Grounds, Hostels etc. in the college campus and outside shall be reported to the committee immediately. The students were asked to suggest some topics for awareness programmes related to ragging. They were also informed that counselling is provided in our college by all the staff members as they are all trained counsellors. The meeting ended with the assurance by all that we would ensure a student-friendly environment at all times.

### **Internal Compliance Committee:**

All Staff representatives and six student council members were present for the meeting except Shobana.M of M. Ed class. The meeting started with the brief introduction of the members and about the Internal Complaints Cell.

The meeting of the Internal Complaint Cell was held on 2nd November, 2022 at 11.40 a.m. through online and it was the first meeting with the students of the 2022 Batch. The objective of the Cell was explained to the students and the students were asked to share their views. The students suggested organising Awareness programmes for them.

1. Harassment in public places,
2. Usage of mobile phones wisely,
3. Psychological counseling and
4. Women's Self defense were a few topics suggested by them.

### **Eco Club:**

The following suggestions were given:

- For scanning and printing, non-teaching staff will be given to help in getting the same done without any hassles.
- Suggestion was given to have evidences like few photos and video for few minutes for different types of methods used for teaching and the team handling Criterion 2 should collect it from both optional teachers as well as those handling general papers.
- Reports along with photos and videos for each activity in a prescribed format was suggested to be framed. Brochures and invite letters sent to resource persons should be prepared in a prescribed format prepared by IQAC and maintained.
- Photo album and record of all activities done in each department should be maintained.
- Optional teachers were instructed to give placement details and higher education details of the department students to the team working on Criterion 5.
- The Principal suggested the teams working for each criterion to find a suitable time to sit together and work for the criterion. All staff members were suggested to introspect and work out their time schedules to manage time as everyone were struggling in meeting the deadlines.
- Principal suggested to share completed extended profile to all criteria to avoid mismatch.

- All teachers were asked to make reference of books mandatory for students to write assignments to increase utilisation of library resources.
- Suggestion was given to staff to attend seminars, and present papers and publish articles in journals to avail financial assistance.
- Project funding by any organisation should be availed for institution project. Research committee was instructed to convene a meeting to decide the teams for availing research projects within the next two working days and inform the principal.
- Principal suggested that those who completed Ph.D. should obtain guideship within the stipulated time and those who are doing Ph.D. should complete their research work within the stipulated period.

#### **Any Other Business**

The principal instructed the staff to fix the date and timings for conducting any programme for students in advance to avoid clash of dates at a later stage. Vice principal was asked to maintain a diary to note the dates and timings of the programmes.

With this the meeting came to an end.

- Value added courses can be given from 4.30pm – 5.30 pm.
- Per semester there can be 8 value added courses.
- Certificates can be issued to those who attend value-added courses.
- Lab hours can be given credits.
- Digital Technology in Pedagogy can be brought under lab hours.
- Curriculum can be restructured every now and then.
- Revising of curriculum should be above 20% and should be done every 3 years.
- For online courses, SAWAYAM should be made compulsory.

#### **Criterion II**

- Enrolment must be increased to 80%.
- SC/ST enrolment should be 40%
- The staff strength in student-mentor ratio is less. Per teacher there can be 4 – 6 students.
- For the outreach programmes attended by students, both I years and II years should be included.

- Under Metric 2.3.6, book reading should be mandatory.
- For Quantitative metrics, the documents' links can be put in the first page for easy reference while uploading.
- Number of schools for internship should be increased to get full marks.
- Students can be guided to look out for schools in their own vicinity to increase the number of schools for internship.
- Staff doing Ph.D. should complete on time to increase the number of staff with Ph.D.
- Internal Marks pattern can be changed by keeping it for only 40 marks and not calculating the average.
- Attendance marks should be based on range so that the internal marks will be balanced.

#### **Criterion II**

- Staff should undertake projects either major or minor.
- Staff should publish one research paper every semester.
- Staff should attend one conference every semester,
- There must be atleast 25 outreach activities per year.
- Under the faculty exchange, evaluation done in other colleges can also be added.
- Papers presented as a joint venture with other college staff can also be added in faculty exchange.

#### **Criterion IV**

- The room numbers given in documents should also be given in photos for more clarity.
- In few uploaded geo-tagged photographs, latitude and longitude were missing.
- Every classroom should also have the room number on the name board.
- For classrooms with ICT facilities, photographs were not zoomed in to clearly show the projectors.
- Under 4.1.2, for the year of establishment of equipment, replaced years could be considered as year of establishment.
- The amount for book purchase must be for Rs. 20 lakhs.
- Library usage by both students and staff must be improved.
- For the student computer ratio under metric 4.8, it must be 1:4.

#### **Criterion V**
